

# Something to Talk About

## Bonnie Raitt

### COUPLET I

People are talking, talkin' 'bout people  
I hear them whisper you won't believe it  
They think we're lovers kept under cover  
I'll just ignore it, but they keep sayin' we

### VOORREFREIN

Laugh just a little too loud (a little too loud)  
Stand just a little too close (too close)  
We stare just a little too long  
Maybe they're seeing something we don't darling

### REFREIN'

Let's give 'em something to talk about (something to talk about)  
Let's give 'em something to talk about (something to talk about)  
Let's give 'em something to talk about  
How about love

### COUPLET II

I feel so foolish, I never noticed  
You'd act so nervous, could you be falling for me?  
It took a rumor to make me wonder  
Now I'm convinced that I'm going under

### VOORREFREIN

I'm thinking 'bout you every day (every day)  
Dreaming 'bout you every night (every night)  
I'm hoping that you feel the same way  
Now that we know it, then let's really show it darling

### REFREIN''

Let's give 'em something to talk about (something to talk about)  
A little mystery to figure out (something to talk about)  
Let's give 'em something to talk about  
How about love, love, love
