

Seven Nation Army

White Stripes

COUPLET I

I'm gonna fight 'em off
A seven nation army couldn't hold me back
They're gonna rip it ooff
Takin' their tiime right behind my back

And I'm a talkin' to myself at night
Because I can't forget
Back and foorth through my mind
Behind a cigarette

VOORREFREIN

And the message comin' from my eyes
says, "Leave it alone, alone oh Leave it aloone"

COUPLET II

Don't wanna hear about it
Every single oone's got a story to tell
Everyone knows about it
From the Queen of England to the Hounds of Hell

And if I catch it comin' back my way
I'm gonna serve it to you
And that ain't what you want to hear
But that's what I'll do

VOORREFREIN

And the feelin' comin' from my bones
Says, "Find a home"

VOORREFREIN

And the feelin' comin' from my bones
Says, "Find a home"

COUPLET III

I'm goin' to Wichita
Far from this opera forevermore
I'm gonna work the straw
Make the sweat drip out of every pore

And I'm bleedin', and I'm bleedin', and I'm bleedin'
Right before the Lord
All the words are gonna bleed from me
And I will think no more

VOORREFREIN

And the stains comin' from my blood
Tell me, "Go back home"
