

WELCOME TO
SPOOKY SCARY SKELE-TOWN

CLUE

THE MOON IS OUT AND
IT'S GETTING COLD,

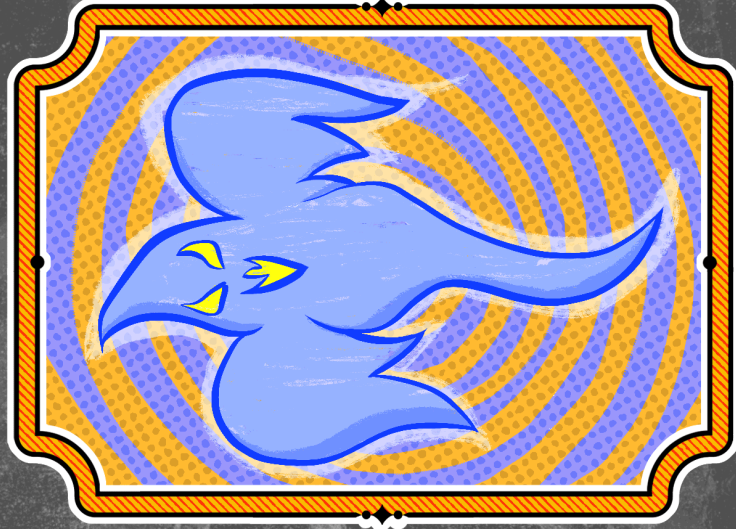

SO GO INSIDE TO WHERE
THE MUSIC IS CONTROLLED.

WHEN YOU LOOK 'ROUND WHERE
THE SPOOKY TUNES PLAY,

YOU MIGHT FIND YOUR NEXT CLUE
HIDDEN AWAY...

SHRIEK STREET

CLUE

DON'T LOSE YOUR HEAD!
LOOK WHERE YOU GET FED.
WHERE DOES FOOD STAY COLD,
SO IT DOESN'T GROW MOLD?
BONE APPÉTIT, MY SWEET!

SHIVER ALLEY

CLUE

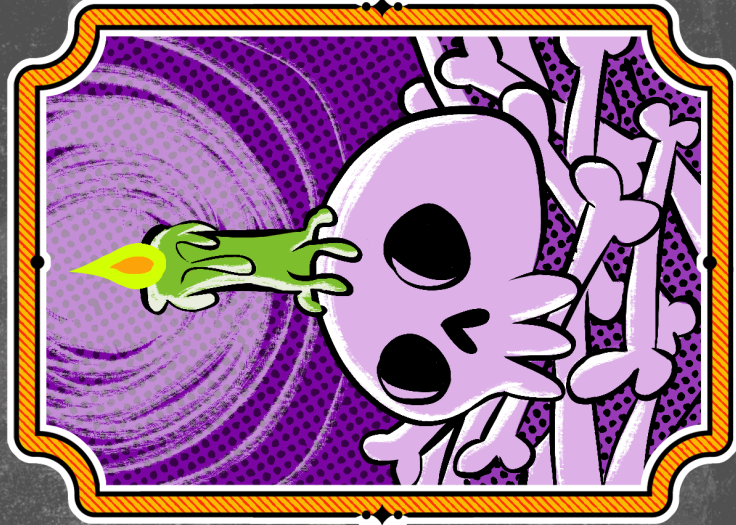

UNDERNEATH WHERE YOU SLEEP,
WHERE DUST BUNNIES HOP, AND
MONSTERS CREEP,
DON'T BE SCARED, JUST LOOK
AROUND.

AND SOON A CLUE WILL BE FOUND!

YE OLDE HAUNT

CLUE

WHAT'S A COMFY PLACE FOR EVERYONE TO SIT?

LOOK ON, UNDER, AND ALL AROUND IT.

WHEN YOU DO, YOU'LL FIND YOUR NEXT CLUE!

HINT: IT'S MY FAVORITE PLACE TO WATCH SKELEVISION.

YOU'RE JUST A BONE'S
THROW AWAY FROM THE
NEXT CLUE!

FRIGHT THIS WAY!

YOU'RE JUST A BONE'S
THROW AWAY FROM THE
NEXT CLUE!

FRIGHT THIS WAY!

HOWL WAY

CLUE

MAKE NO BONES ABOUT IT,
YOU'RE REALLY HITTING YOUR STRIDE.

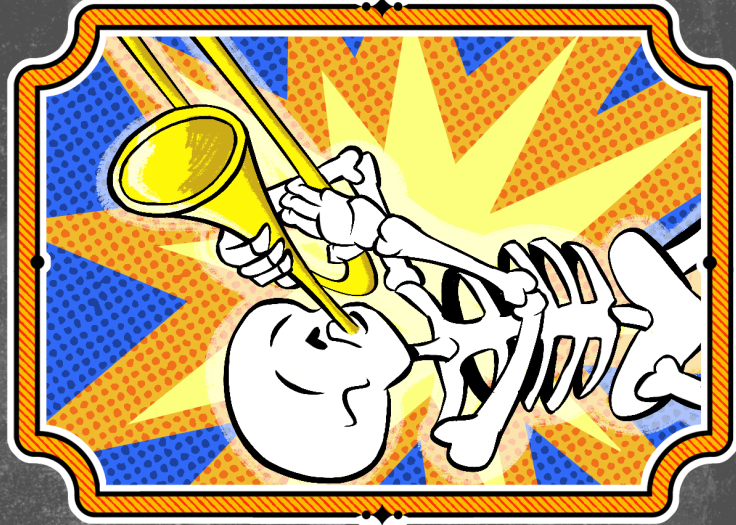

BUT CAN YOU FIND WHERE YOUR
NEXT CLUE HIDES?

SKELETONS DON'T HAVE TO
WASH THEIR HAIR.

BUT WHEN YOU DO, YOU GO WHERE?
HEAD THERE!

BONEHEAD BAY

CLUE

WHAT'S A SPOOKY SCARY SKELETON TO DO?
IT SEEMS I CAN'T TRICK YOU!

GUESS I'LL PULL OUT MY TROM-BONE
AND PLAY THE BLUES.

NO-BODY KNOWS THE TROUBLE I'VE SEEN.

FOR YOUR NEXT CLUE, LOOK NEAR
WHERE DISHES GET CLEAN.

LOOKING FOR THE NEXT CLUE?

MY BROOM WILL SHOW
“WITCH” WAY TO GO!

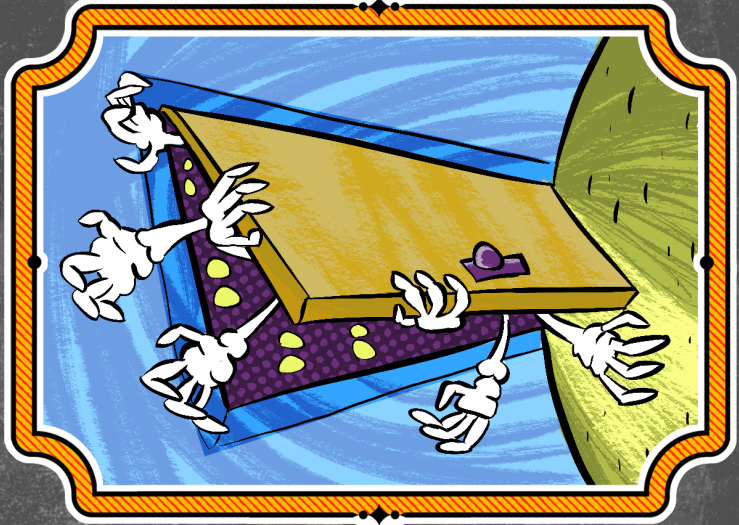

LOOKING FOR THE NEXT CLUE?

MY BROOM WILL SHOW
“WITCH” WAY TO GO!

THE BONEYARD

CLUE

DO YOU HAVE SKELETONS
IN YOUR CLOSET? NO?

DON'T BE SO SURE!

YOU BETTER HAVE A PEEK.

MAYBE YOU'LL FIND A TREAT!

BATTY BOULEVARD

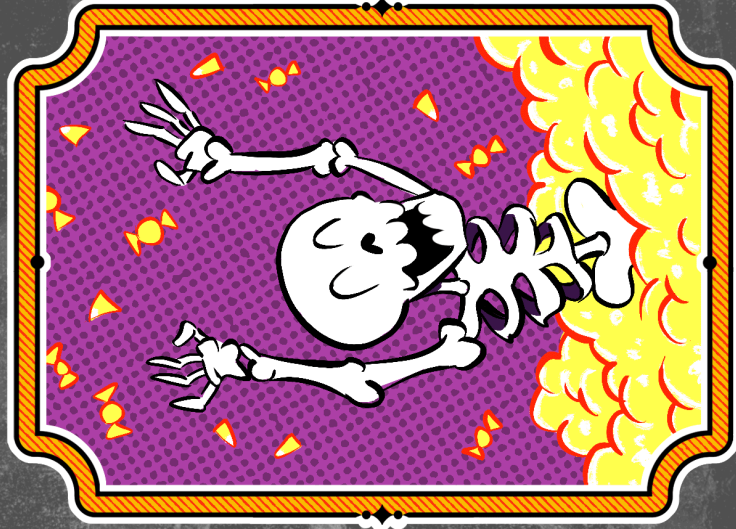

CLUE

AHWW, SHOOT! YOU FOUND ALL MY HALLOWEEN LOOT!

WELL, THAT'S OKAY - I DON'T HAVE THE STOMACH FOR IT ANYWAY.

THANKS FOR BEING THIS BONELY SKELETON'S PAL.

I HOPE THE REST OF YOUR NIGHT IS A HOWL!

TRICK OR TREATING AT HOME

INSTRUCTIONS

- Replicate the experience of trick-or-treating at home with our printable **Spooky, Scary Skele-Town Scavenger Hunt!**
- Hang “street signs” over various spots in your house—the front or back door, the fridge, the sofa, etc.
- Each street has a corresponding clue (and maybe a treat) hidden nearby that will lead the trick-or-treaters to the next destination.
- Make the clue hiding spots as tricky/creative as you’d like! The hunt ends with the closet, which is where we recommend you stow the Halloween haul.
- The fun kicks off with your little scavengers following the sound of Halloween music to its source, so make sure to hit play on some festive tunes before the game begins. Ghouls and goblins of all ages will enjoy **Halloween Howls: Fun & Scary Music** by Andrew Gold, featuring “Spooky, Scary Skeletons,” “The Monster Mash,” “The Addams Family” and more –it’s fun and not TOO spooky.
- Enjoy celebrating Halloween at home together!
